

## Market Tours of Historic Federal Hill

# Savoring Federal Hill

## TOUR OVERVIEW

Federal Hill has been the center of business and culture for Providence's Italian population since the turn of the century. The Hill features numerous restaurants and shops, recognized as among the finest Rhode Island has to offer. Our tour visits traditional and modern bakeries, the wine shop that brought Italian wines and spirits to New England, butchers and poultry markets, and specialty food markets.

Cindy will describe each retailer and introduce you to the chefs, bakers and ravioli makers. She'll share plenty of tips and advice about Italian cooking and how to use the wonderful ingredients found in the Federal Hill shops.

On your tour you will:

- Visit old world bakeries and Italian specialty stores
- Sample cheese, antipasto, bread, wine and cookies
- Watch ravioli makers create their specialties
- Enter the kitchens of some of the Hill's finest chefs
